HER MARRIED NAME

In WOMAN'S WHO'S WHO OF AMERICA, the practice has been to begin the biographical paragraphs relating to married women with the surname of the husband, followed by the maiden name of the wife in the black letter, and the married name in parentheses. Some exceptions have been made to this rule, but in most cases the reader consulting this book will find the particular name sought to be so classified, as, for example: "LOGAN, Mary Simmerson Cunningham," instead of "LOGAN, Mrs. John Alexander." This is one of many cases where the subject is most widely known by her married name, and for that reason the following index, reversing the order of the names, has been prepared to facilitate ready reference.

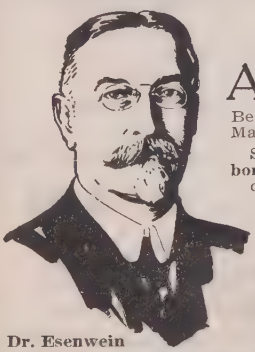
SHORT-STORY WRITING



Dr. Esenwein

A COURSE of forty lessons in the history, form, structure, and writing of the Short-Story taught by Dr. J. Berg Esenwein, Editor of Lippincott's Magazine.

Story-writers must be **made** as well as **born**; they must master the details of construction if they would turn their talents to account.

May we send you the names of students and graduates who have succeeded? And the success their letters prove is **practical.** It means recognition, accepted manuscripts and checks from editors.

One student writes: "I know that you will be pleased when I tell you that I have just received a check for $125 from 'Everybody's' for a humorous story. They ask for more. I am feeling very happy, and very grateful to Dr. Esenwein."

We also offer courses in Photoplay Writing, Versification and Poetics, Journalism; in all over One Hundred Home Study Courses, many of them under professors in Harvard, Brown, Cornell, and other leading colleges.

VIOLIN
OVIDE MUSIN'S VIRTUOSO SCHOOL
Recognized as the LEADING School of Violin Playing in the United States

OVIDE MUSIN, the celebrated Belgian Violin Virtuoso (formerly head professor of the violin department of the Royal Conservatory of Liege, Belgium), has permanently located in New York City, where his Virtuoso School of Violin has been located for the past five years, in which comparatively short time it has been accorded the proud distinction of being acknowledged the foremost institution of its kind in this country. Students taught by **Ovide Musin** in person, in his **Special System** of tone production, development of technic and control of the bow, and prepared for appearances in concerts in America and Europe. Summer Course for Teachers.

Ovide Musin's Scientific Course of Lessons in Violin Playing by Correspondence

Devised by this Master in response to popular demand for the benefit of violinists unable to come to him for personal instruction; for such these lessons will be found a boon, as they fill a long-felt want. In them Prof. Musin has embodied his **Special System,** which considerably shortens the time ordinarily required to learn to play the violin and accomplishes remarkable results. Enthusiastic pupils throughout the United States and foreign countries attest to the merits of this Course, and the value of Instruction by Correspondence when given by a supreme authority.

Prof. Ovide Musin's fame also rests upon his compositions for violin with piano accompaniment which have become world-renowned—notably his perennially popular "Mazurka de Concert." A catalog of Thematic Extracts from his publications which are appropriate for concert or teaching purposes, will be mailed free upon request. Address

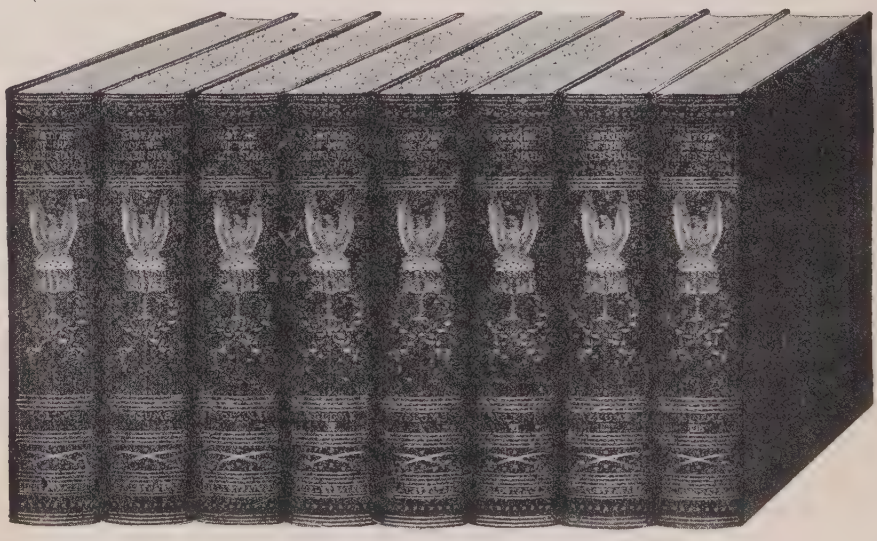
Lossing's History of the United States

The Greatest American History Ever Published

By BENSON J. LOSSING, LL.D.



EVERY country has ONE great authoritative history. "Lossing's" is acknowledged by educators and statesmen to be the one great authoritative history of the United States. Professor Wendell of Harvard places Lossing's FIRST; Professor Mathews of Columbia puts him AT THE TOP; Professor Tyler of the University of Michigan says that Lossing SURPASSES ALL OTHERS. "Lossing's History of the United States" is the best—the most authoritative, the most complete and far beyond all other histories, the most entertaining.

This magnificent history, revised and brought down to date, consists of eight Royal Octavo Volumes, over 3,000 pages of text and illustrations. More than a million words of graphic description, a splendid index, which in itself is a cyclopedia of information pointing to every prominent event and name in the book—containing the latest census figures, sixteen historic and famous scenes in color, eight photogravures on Japan paper, colored maps and drawings. An appendix containing the Constitution of the United States, the Declaration of Independence, the history and date of every battle, Washington's farewell address, the Emancipation Proclamation, Lincoln's Gettysburg address.

A Profit-Sharing Agency Plan

We now have in operation in the United States and Canada more than 15,000 Oliver Local Agencies. These agents have received hundreds of thousands of dollars in profits on sales of Oliver Typewriters.

There are still hundreds of places where no agencies are established.

Applicants for Oliver Local Agencies must be earnest workers. They need not have had previous experience.

We enroll them at once in The Oliver School of Practical Salesmanship and teach them selling—all as part of the free training given Oliver Agents.

When they have proved their worth, we promote them to the direct service, in which they may rise to the highest positions in the Company.

One of our general officials began his Oliver career as a Local Agent at Waco, Texas.

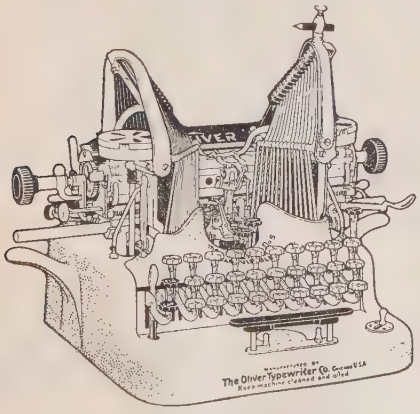
Printype—OLIVER Typewriter

The Standard Visible Writer

The Oliver is the best seller because it is the best typewriter. It has many exclusive features. It is the only typewriter that PRINTS PRINT. It really owns and controls Printype, now conceded to be the greatest single advance ever made in typewriter construction.

We GUARANTEE Printype to be exclusively used on Oliver Typewriters.

Oliver Agents sell Printype Olivers in thousands. The demand is voluntary and steady.



Oliver Agents are permitted to sell on our 17-Cents-a-Day Plan, which puts the Oliver in everyone's reach. Agents may even secure their own sample outfits on the 17-Cents-a-Day Plan and let their agency earnings help carry the deal.

Oliver Agents are protected in exclusive selling rights in the territory given them. They own the local typewriter business.

When you apply, be sure to give some details about the typewriter sales possibilities of your town, village or city.

And Don't Delay

We like and reward promptness.

Full details of Agency Proposition, a specimen of Printype, the 17 Cents-a-Day Plan and other interesting information will be sent immediately on receipt of your application.
